CHRISTUS COLLEGIUM RESIDENCY APPLICATION – ADDITIONAL QUESTIONS

- How did you hear about the Christus Collegium? _____

- Why would you like to live at the Christus Collegium?

- The Christus Collegium is home to a diverse community of students from all over the world as well as from small Montana towns; some are members of our supporting Christian churches, others from different backgrounds and faith traditions. The CC community provides a unique opportunity for MSU students to build multi-cultural friendships and global connections with others. How do you feel you would contribute to such a community? What might you learn?

- To help residents get to know each other we try to offer one or two resident dinners or events during the semester. We encourage residents to help us plan such activities, and the Christus Collegium covers all costs. Do you agree to attend such events if the schedule is given to you well in advance? _____ Do you wish to help plan? _____

- The ministries that support and manage the Christus Collegium sometimes organize service projects for students involved in the partner churches. We wish to offer this opportunity to all Christus Collegium residents as well. Would you be interested in participating in an occasional service project? _____ Do you have any ideas for possible service opportunities? _____
